VIDEOS per level	6	17	20	16	23	22	23	22
sets of WEE RED BOX	3	7	10	3	7	10	20	20
flash cards per level								

The Wee Red Box flash cards help to promote fluency at mental agility (accuracy with more speed) and being mentally fluent = good at numeracy = better at maths. They can make a significant impact. Pass marks are always 20/20 and gaining "Well Done" awards at level 4 indicates being excellent at numeracy.
